Re: Susquehanna Bank – Towson

Dear Mark:

MacKenzie Contracting Company would like to take this time to say, “Thank You”, for a job well done at the Susquehanna Bank renovation at Kenilworth. The project had some tricky details as well as a tight time frame, all of which was handled with the utmost professionalism, and the end result was outstanding. We have had nothing but rave reviews from all key players from the bank, with the hopes for some new opportunities in the coming year.

Thanks again, and we look forward to working on future projects together.

Sincerely,

Scott Albright
